

A diagram of a rectangular frame. It consists of a central white rectangular area surrounded by a thin black border. On the left and right sides of this central area, there are two vertical blue rectangular panels, each separated from the central area by a thin black line. The entire structure is enclosed within a larger black rectangular frame.

A line drawing of a wooden cabinet. It has a main body with a glass-paned door on the right side, featuring vertical bars. A small shelf is attached to the top of the door. The cabinet has a simple, functional design with a small handle on the front panel.

91

35

Technical drawing of a vertical rectangular component. A dimension line at the top indicates a width of 14. The component has a flange at the top and a mounting bracket on the right side.

Diagram 3 shows a vertical rectangular block with a horizontal line passing through its center. The number '3' is written to the right of the block.

A diagram of a rectangle. The top horizontal side is labeled with the number 45. The right vertical side is labeled with the number 27.
